***Allowable Subject Matter***

Claims 18-36 are allowed over the prior art of record.

***Examiner's Reasons for Allowance***

The following is an examiner's statement of reason for allowance:

Regarding claims 18 & 28, the prior art of record neither shows nor suggests a gas discharge comprising all the limitations of claims 18 & 36, particularly comprising application of chemically inert surface by physical or chemical vapor deposition on the electrode in a gas discharge tube.

Claims 19-27 & 29-36 are allowed for being dependent on allowed base claims. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
